

4 November 1982
MLD-2048

MEMORANDUM FOR: Director, FBIS

FROM: Acting Chief, London Bureau

THROUGH: Chief, Operations Group

SUBJECT: Monthly Report -- London Bureau -- October 1982

I. GENERAL

- ✓ A. The BBC has appointed [] as Senior Assistant (Coverage) to succeed [] who has been elevated to Head Reception Department (HRD), and [] as Senior Assistant (Output) in succession of [] now Assistant HRD. The dates these appointments are to take effect have not yet been announced.

STAT

STAT
STAT

- B. The BBC has rented a 2-meter dish and installed it in the rose garden near the Cubicles building. The baby dish has proved capable of bringing in Soviet television transmissions loud and clear.

II. OPERATIONS

A. Editorial/Monitorial

1. On 1 October the BBC took over coverage of Moscow TV broadcasts, a welcome action but limited to the set of programs that had been standard bureau commitments and to audio only. [] role is to complement processing with full video descriptions from his review of all programs taken by the BBC, a task that leaves him little extra time for much needed cruising on the dish and one that entails an increased burden on the editors, who must ensure that audio and video descriptions dovetail.
2. Brezhnev spoke at a conference of command personnel of the Soviet Army and Navy in the Kremlin on 27 August contrasting the Soviet line of detente and the strengthening of international security with the U.S. "political, ideological and economic offensive on socialism" and the raising of the intensity of "military preparations to an

STAT

-2-

unprecedented level." The expeditious handling of the TV coverage of this speech drew the compliments of AG in a message that also noted the particular usefulness of the prompt fyi on a leadership lineup with Andropov and Chernenko appearing together for the first time since the former was elevated to Politburo status. The lineup was treated in a TRENDS article the same day.

3. Brezhnev's other activities in October included speeches, banquets and talks in connection with visits by the SRV's Truong Chinh, Ethiopia's Mengistu and Cyrus's Kiprianou.
4. In response to a request from AG's Myron Hedlin, the bureau cooperated with Okinawa in a survey of Moscow TV's Novosti newscasts 3-9 October. The survey was a useful exercise, particularly since Hedlin identified Novosti as "an important potential source in the event of a crisis or fast-breaking development."
5. Poland continued to be a source of disquiet in Eastern Europe and a great deal of copy in the bureau, this month primarily owing to the ban on Solidarity that came out of the Sejm meeting of 8-9 October. In response there were strikes and disturbances at Gdansk and Nowa Huta, protests by the pope and Archbishop Glemp, and a series of official meetings of the party Politburo, the Sejm and a PZPR Central Committee plenum.
6. Early in the month Iran announced a fresh offensive in its war with Iraq, a move that fairly rapidly subsided once more into a stalemate punctuated by the daily, obligatory communiques. In another Middle East development a seven-member committee appointed by the Fes summit to explain the Arab peace plan to the UN Security Council and the United States provided the focus for a good deal of comment by moderates and radicals alike.
7. It is worth noting that Kenya's internal affairs continued to sputter with virtually daily announcements of further sentences of Air Force personnel and reports of other courts martial.
8. The Somali dissident radio, Radio Kulmis, reported that delegations from the Democratic Front for the Salvation of Somalia and the Somali National Movement had signed an agreement to cooperate fully in hastening the overthrow of

-3-

the present regime. As part of the pact, the radio immediately changed its name to Radio Halgan.

- ✓9. The impact of having assumed responsibility for coverage of speeches and articles by central leaders and by republic first secretaries Aliyev, Kiselev, Kunayev, Rashidov and Shevardnadze that appear in the republics' press was more palpable than during August and September. A national-level ideology conference held in Tallinn resulted in over 22,000 words of text filed from the republic's newspaper SOVETSKAYA ESTONIYA, including a 12,000-word speech by Central Committee Secretary Rusakov in which MBFR Ambassador Staar expressed an interest. A plenum in the Georgian Republic featured a 26,000-word speech by Candidate Politburo Member Shevardnadze filed from the republic's paper ZARYA VOSTOKA. A 36,000-word speech by Azerbaijan First Secretary and Candidate Politburo Member Aliyev given at a plenum of the Azerbaijan CP appeared at the end of the month in BAKINSKIY RABOCHIY.
- ✓10. Articles filed by PMU from the Soviet journals NOVOYE VREMYA, VOPROSY FILOSOFII, and MIROVAYA EKONOMIKA I MEZHDUNARODNYYE OTNOSHENIYA were cited in Trends articles published during October. An article by Dmitriy Volskiy filed from NOVOYE VREMYA that was critical of Iran's rejection of a Security Council resolution aimed at ending the fighting between Iran and Iraq was cited in a 20 October Trends article discussing Soviet-Iranian relations. Soviet economist Yuriy Novopashin's VOPROSY FILOSOFII article discussing the impact of declining economic performance on Soviet ability to render aid to Third World countries served as the basis of a 14 October TRENDS article. Colonel Rybkin's article in MIROVAYA EKONOMIKA I MEZHDUNARODNYYE OTNOSHENIYA in which he defends Brezhnev's position that no political end can be achieved through nuclear war discussed in the 6 October TRENDS article "Hardline Military Theorist Defends Soviet Deterrence Policy."
11. Rapid processing of fodder harvest data and livestock production statistics at the request of the Wire Service during the middle of the month earned the "extreme gratitude" of the consumer.
12. PMU surveyed, at AG request, the Soviet press back to 14 September in search of reportage, and commentary critical of China. The survey confirmed that there had been a virtual stand-down of anti-Chinese propaganda emanating from the Soviet

-4-

press in anticipation of and during Sino-Soviet talks in Beijing.

13. Receipts of the Lebanese newspapers AN-NAHAR, AS-SAFIR, and AL-BAYRAQ resumed with the reopening of Beirut airport on 30 September. Only Tuesday, Thursday, and Saturday papers are available at present, and efforts to obtain back issues have not been successful.

B. Communications

The torn-tape relay backup for Nicosia finally ended on 23 October, by which time bureau communicators had handled a daily average of 241 messages.

C. Islamabad Unit

1. Daily recordings of Tashkent Uighur for the Gulf Bureau continues.
2. A week's survey is underway of the local Quetta programs in Baluchi for Gulf Bureau to check out.
3. [] Gulf Bureau Chief, spent 6 days in Islamabad, interviewing and testing candidates for possible employment.

STAT

III. ADMINISTRATION

- A. Associate Editor [] returned from extended sick leave convalescing from surgery.
- B. Editor [] left 23 October on PCS assignment to Headquarters.
- C. [] EOD'd as a trainee Soviet press monitor.
